

# ZARGES XLSTEP P

Trestle step with extra stability for safe and efficient work

ZARGES

**NEW**

[www.zarges.com](http://www.zarges.com)

## Trestle step with a new design

- Maximum stability with 9° splayed stiles.
- Anodized stiles do not dirt your hands.
- Compact transport measures, easy and convenient to use.
- Big, stable feet that also can be placed on open steel grid.

# ZARGES XLSTEP P – Convenient and extra stable trestle step

The 9° splayed stiles provide maximum stability and a wide base surface. The trestle step withstands tough environments and hard wear thanks to the anodized stiles, that also do not dirt your hands. The trestle can also be placed on open steel grids thanks to particularly large feet. Comfortable ascent with 92 mm extra deep steps. Choose platform size 600 x 300 mm or 400 x 300 mm. Standard: EN 14183.
