

ZARGES

# Always the ideal height

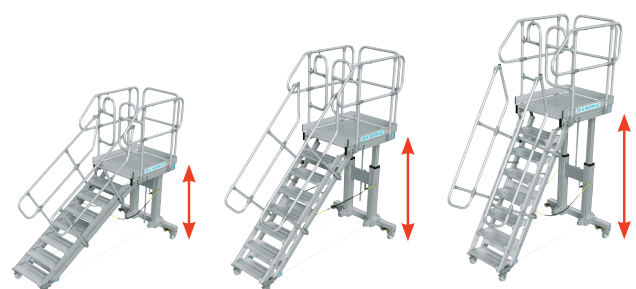

ZARGES platform steps, height-adjustable and mobile

## Experience more flexibility when working at height.

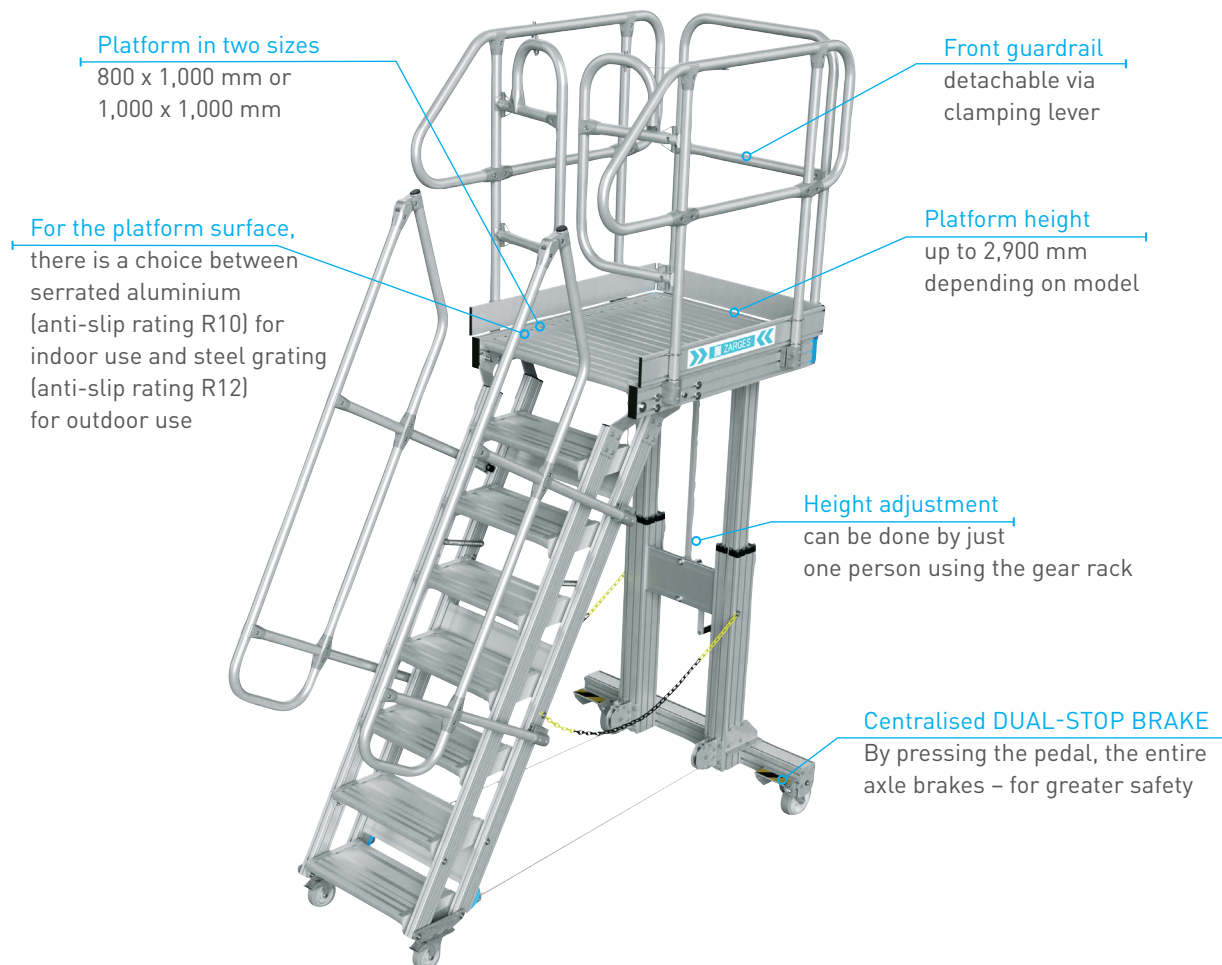

### Overview of benefits:

- **Flexibility:** working at different heights.
- **Easy to use:** by one person.
- **Safety:** convenient access and safe working thanks to large platform.
- **Ergonomics:** ideal working height for all body heights and adjustment to different working heights.

# Applications

Maintenance and production of machines and commercial vehicles, access to machines – different variants for indoor and outdoor use.

Can hold 1 person of up to 150 kg. Applicable standards Machinery Directive 2006/42/EC, EN ISO 14122-3, EN 131-7.
