

Product Data Sheet banded ear protector uvex xact-band 2125.372

UVEX ARBEITSSCHUTZ GmbH, Würzburger Str. 181-189, D-90766 Fürth

Product description:

The innovative uvex xact-band provides reliable protection against noise in the workplace and is particularly comfortable to wear. The ergonomic shape of the earplugs adapts perfectly to the ear canal, ensuring optimum wearer comfort even when worn for extended periods.

Product characteristics:

- ergonomically shaped pins for left and right ear
→ easy and quick insertion
- ergonomic thumb indentations for easy handling and correct insertion
- ergonomically shaped pins for the left and right for easy insertion and improved wearer comfort
- oval-shaped foam earplugs mimic the shape of the canal and reduces the pressure in the ear canal
- Irritating noise that may result from the headband being touched is effectively reduced through integrated sound absorbers so the wearer is less distracted.
- it's not necessary to roll and touch the earplugs before insertion
- foam plugs changeable
→ less risk for re-use contaminated plugs
- foam plug and pin dividable, pin reusable (less waste)
- PVC free

Material: Foam plugs: PU-foam
Band: Polypropylene

Standard: EN 352-2:2020

Wearing time for earplugs: maximal 1 working day

Attenuation Data:
