

DECLARATION OF COMPLIANCE FOR MATERIALS AND ARTICLES INTENDED TO COME INTO CONTACT WITH FOOD

Date: 8/22/2023
Company: Rubbermaid Commercial Products
Address: 3124 Valley Avenue, Winchester, VA 22601

Rubbermaid Commercial Products declares that the listed products below are compliant with the requirements of applicable European Regulations for Food Contact Materials as described below.

Product Description: Color Coded High Heat Spatulas

Item #	Description
FG1962000000	High Heat Scraper 24 cm, Red
FG1963000000	High Heat Scraper 34 cm, Red
FG196600RED	High Heat Scraper 24 cm, Red
FG196700RED	High Heat Spoon Scraper 34 cm, Red
FG196800RED	High Heat Spoon Scraper 41 cm, Red

Material: Silicone blade, Nylon handle

The materials used to produce this product meet the relevant requirements of the following Regulations and are listed on the Union List of Authorized Substances, Annex I of Regulation 10/2011.

- **EC Regulation 1935/2004** – Directive on materials and articles intended to come into contact with food and all subsequent amendments.
- **EU Regulation 10/2011 as amended by EU Regulation 2023/1442** – Plastic materials and articles intended to come into contact with Food, and subsequent amendments.
- **EC Regulation No 2023/2006** – Good Manufacturing Practices for materials and articles intended to come into contact with food.

Additionally, the listed products meet the requirements of Italian National Legislation:

- DM 21/03/1973
- Presidential Decree 777/82

When used as specified, the overall and specific migration levels do not exceed the legal limits established in European Regulation EC 1935/2004 & EU 10/2011. The testing was performed according to Annexes III and V of Regulation EU 10/2011.

The High Heat Spatulas are not available for sale in France.

Conditions of Use

These products are suitable for contact with the following types of food under the intended and foreseeable conditions of use:

All Food Types Dry Food Only Acidic Food Fatty Foods Moist Foods/Liquids

Time and Temperature: Temperatures up to 260°C (500°F)

Dual use Additives:

Subject to restrictions in food as defined in EU Regulation 10/2011, dual use additives are not intentionally used in the manufacture or formulation of this product.

Information on substances with restrictions in Annex I or II of (EU) 10/2011.

No substances listed in European Regulation 10/2011 Annex II are released in amounts greater than the limits established in that Annex.

Migration Testing & Limits:

This product does not exceed the specific migration limit of 0.05 mg of BPA per kg of food.

This product does not exceed the Organo-tin specific migration limit of 0.1 mg/kg

This product does not exceed the Extractibles specific migration limit of < 5000 mg/kg

Surface Area to Volume Ratio:

Overall Migration: 1.0 mg / dm²

Specific Migration: 0.6dm²/100ml

Overall Migration

Silicone Simulant	Time (Hours)	Temperature	Result
3% Acetic Acid	4	100° C	Pass
10% Ethanol	4	100° C	Pass
Olive Oil	2h (x3)	175° C	Pass

Specific Migration – Organo-tin

Silicone Simulant	Time (Hours)	Temperature	Limit	Result
3% Acetic Acid	2	100° C	< 0.1 mg/kg	Pass

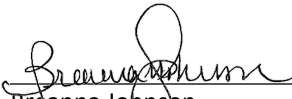

Specific Migration – Extractibles

Silicone Simulant	Time (Hours)	Temperature	Limit	Result
3% Acetic Acid	4	100° C	< 5000 mg/kg	Pass

This Declaration of Compliance has been created on the basis of the following:

1. Declaration by suppliers of the raw materials
2. Analyses of Overall Migration
3. Analyses of Specific Migration

This Declaration has been issued in accordance with EU Regulation 10/2011 as amended by EU Regulation 2023/1442, Chapter IV - Article 15, Declaration of Compliance & Documentation. This document is valid for five years and should be renewed when conformity is no longer ensured and/or in the case of changes in the regulations.
