

SHOE DEODORANT

Eucalyptus

Etra Shoe Deodorant is based on advanced silver ion technology. It eliminates unpleasant odors by killing odor-causing microbes and provides long-lasting protection. Leaves a fresh eucalyptus scent.

APPLICATIONS

Work boots, sneakers, rubber boots, bags and gym bags. Can also be used on other textiles.

DIRECTIONS FOR USE

Spray evenly onto the item to be freshened and allow to dry. Re-apply as needed.

IMPORTANT

Test the product first on an inconspicuous area.

SAFETY PRECAUTIONS

Ensure adequate ventilation when using the product. See the safety data sheet for more detailed recommendations.

STORAGE

Store in a cool, dry, and well-ventilated area. Recommended temperature: +5 °C – +25 °C. Protect from direct sunlight.

COMPOSITION

Aerosol, liquid, and colorless. Eucalyptus scent.

COUNTRY OF MANUFACTURE

Finland
