

FAST DEGREASER 2.0

Fast-acting grease remover

A high-pressure, fast-evaporating, solvent-based, residue-free cleaner with a powerful, concentrated spray.

Dissolves and removes even stubborn oil, grease, resin and silicone.

Evaporates extremely quickly and leaves no film. The can works in any position.

APPLICATIONS

Brakes, clutches, machinery, engines, valves, bearings, assemblies, transmissions, tools, degreasing before painting, etc.

INSTRUCTIONS FOR USE

Spray onto the surface to be cleaned, let it affect, allow it to dry, or wipe it dry. Repeat if necessary.

WARNING

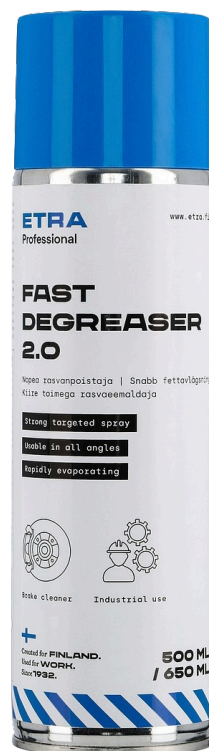

Do not use on hot surfaces. May damage certain types of plastic and rubber. Test the product first on an inconspicuous area.

SAFETY PRECAUTIONS

Hand and eye protection is required; see the safety data sheet for detailed instructions.

STORAGE

Highly flammable. Store in a cool, dry, and well-ventilated area. Recommended temperature +5 °C to +25 °C. Protect from direct sunlight.

COMPOSITION

Aerosol, liquid and colorless.

Contains no acetone, organochlorine compounds (AOX) or silicone.

COUNTRY OF MANUFACTURE

Finland

PRODUCT CODE

10340012077 500/650ml, EAN 6417925021579
