

ETRA HAND CREAM

350ml pump bottle

APPLICATIONS

No matter how good and mild your soap is, frequent washing and water can dry out your skin. That's why you should complement your skincare routine with a lovely cream that keeps your hands soft and prevents skin irritation. Our skin-nourishing and moisturizing cream prevents dryness and helps the skin build long-lasting protection.

FEATURES

The hand cream is smooth, non-staining, and has a high fat content that makes dry hands naturally soft. The cream is unscented, with a pH of approx. 7–7.5. Contains 18% fat.

INGREDIENTS

Aqua, Paraffinum Liquidum (emollient), Isopropyl Palmitate (emollient), TEAStearate (emulsifier), Glyceryl Myristate (co-emulsifier), Cetyl Alcohol (viscosity regulator), Phenoxyethanol (preservative), Caprylyl Glycol, TEACarbomer (stabilizer)
